TMT trips are real trekking trips. They take place in remote areas and in high mountains on wild paths. Our trips are dedicated to people with a minimum level of physical fitness. You don't need to be a marathon runner or an athlete, but a good physical condition is recommended. This trip is the most challenging 1-day trip we offer. It has a difficulty level of 4/5 (high): expect several steep parts, a long descent to the finish village and a full day of hiking (6-7 hours).
